COMES NOW the Mississippi Public Service Commission ("Commission") and it appearing to the Commission, for good cause shown and after reviewing the plan of NPCR, Inc. d/b/a Nextel Partners ("Nextel Partners") for utilization for the year 2005 Federal Universal Service Funding ("USF") heretofore submitted to this Commission by Nextel Partners, and this Commission being otherwise sufficiently advised, finds as follows:

I.

On April 17, 2003, Nextel Partners filed its Application for Designation as an Eligible Telecommunications Carrier ("ETC") under Section 47 U.S.C. 214(e)(2). The Commission entered an Order designating Nextel Partners as an ETC on September 29, 2003.

II.

On September 21, 2004, Nextel Partners submitted its revised, detailed plan for utilization of the Federal Universal Service Fund for the year 2005 for approval by the Commission. The revised plan submitted was filed under seal, but generally proposed to maintain and support the existing infrastructure and also expand network services for projected 2005 growth. The Commission finds that Nextel Partner's proposed use of

federal universal service funds for the year 2005 in Mississippi under its revised plan is consistent with the principles of Universal Service as outlined in the Telecommunications Act of 1996 and by the FCC in its Universal Service Order.¹

III.

The Commission, after consultation with the Public Utilities Staff, concludes that Nextel Partners' revised plan for utilization of the Federal Universal Service Fund for the year 2005 is consistent with the Telecommunications Act of 1996 and the pertinent FCC orders.

IT IS THEREFORE, ORDERED:

1. The Commission hereby certifies that Nextel Partners' revised plan to utilize Federal Universal Service High Cost Support Funds in Mississippi as contained in its Expenditure Plan for 2005 submitted to the Commission on September 21, 2004, is consistent with 47 U.S.C. 254(e).

2. Nextel Partners shall file quarterly reports with the Commission providing the status of universal service fund expenditures and projects. This Order is effective as of the date hereof.
